'Unbothered. Moisturized. Happy. In his lane. Focused. Flourishing.'

Digital Illustration • Mary Druganova

Watching the clouds roll by

hour by hour I look up
and fall in love with something new

sunrise-to-sunset
showings of whispers and hues
pinks and then blues

an intricate dance
a natural lava lamp
broken egg yolks, mixed and poked

untethered, stretching, and reaching
across the biggest, brightest blue
